

SIMPLE BUSINESS BUILDERS TERMS & CONDITIONS

- Turnaround - most products have a 5-7 business day production timeline, a few have 10 business days. Production time always begins at the approval of the final artwork to be printed. We do have options to produce all of these products faster, but rush charges will apply.
- Design Service - all of the product prices are based on having a properly formatted digital file of the artwork for the project. In most instances, a print-ready PDF with bleed is an acceptable format. If you cannot provide a print-ready digital file we can assist in the design and layout of your project at additional cost. We suggest that investing in a well-designed project is the best investment you can make in this process. The cost of printing an excellent project is the same as printing a mediocre project. Also, exact reorders will have no set-up cost, so pay for a great design one and reprint it forever.
- Terms - all products are to be paid for at the time of order. The aggressive price points at which these products are offered does not allow us to extend terms. For your convenience we offer VISA, MasterCard, EFT or cash.
- Delivery- These items are not included in our free delivery program but they can be collected at our convenient location
